 4 when he or she poses an immediate danger to public health,
 5 safety, or welfare; to provide the board the authority and
 6 jurisdiction to carry out the intent of this act; and to
 7 provide for related matters and for other purposes.

8 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

9 Section 1. A new Article 11 is added to Chapter 24
 10 of Title 34 of the Code of Alabama 1975, consisting of
 11 Sections 34-24-1001, 34-24-1002, 34-24-1003, 34-24-1004,
 12 34-24-1005, 34-24-1006, 34-24-1007, 34-24-1008, 34-24-1009,
 13 and 34-24-1010 to read as follows:

14 Article 11. Alabama Pain Management Act.

15 §34-24-1001. Short title.

16 This article shall be known as and may be cited as
 17 the Alabama Pain Management Act.

18 §34-24-1002. Legislative findings.

19 The Legislature finds that the diversion, abuse, and
 20 misuse of prescription medications classified as controlled
 21 substances under the Alabama Uniform Controlled Substances Act
 22 constitute a serious threat to the health, safety, and welfare
 23 of the citizens of the State of Alabama. The Legislature
 24 further finds that the registration of all physicians
 25 providing pain management services, as defined in this

1 article, will assist the Alabama Board of Medical Examiners in
 2 preventing the diversion, abuse, and misuse of controlled
 3 substances by regulating these registrants. The Legislature
 4 further finds that it is in the best interests of the public
 5 safety to give the Board of Medical Examiners the authority it
 6 needs to suspend the registration of these physicians
 7 providing pain management services when the public health,
 8 safety, or welfare requires immediate action.

9 §34-24-1003.

10 (a) Authority. The Alabama Board of Medical
 11 Examiners shall have the jurisdiction and authority necessary
 12 to carry out the provisions and intent of this article.

13 (b) Intent. The article is intended to require
 14 physicians to register under the provisions of this article,
 15 and to provide the Alabama Board of Medical Examiners the
 16 following powers and duties with respect to all registrants of
 17 the Board of Medical Examiners, in addition to its existing
 18 authority as a certifying board pursuant to the Alabama
 19 Uniform Controlled Substances Act:

20 (1) To adopt, amend, and repeal such rules and
 21 regulations in accordance with the Alabama Pain Management Act
 22 for the proper administration and enforcement of this article.

23 (2) To establish rules regarding the registration of
 24 all physicians providing pain management services.

25 (3) To set reasonable registration and renewal fees.

1 (4) To renew registrations and set renewal and
2 expiration dates and other deadlines.

3 (5) To initiate investigations for the purposes of
4 discovering violations of this article.

5 (6) To administer oaths, subpoena witnesses and
6 documents, including medical records, and take testimony in
7 all matters relating to the board's duties.

8 (7) To conduct investigative interviews.

9 (8) To regulate physicians providing pain management
10 services.

11 (9) To revoke, suspend, reprimand, place on
12 probation, issue terms and conditions, limit practice, fine,
13 require additional training, or otherwise sanction physicians
14 providing pain management services.

15 (10) To immediately suspend registrations from
16 physicians providing pain management services when they pose
17 an immediate danger to the public health.

18 (c) In order to prevent abuse, misuse, and
19 conversion of controlled substances, and further administer
20 this article, the board may contract with the Alabama
21 Physician Wellness Committee, or any other nonprofit
22 professional organization or nonprofit society that in its
23 discretion it deems appropriate.

17 appropriate.

18 (4) Any physician who is not included in
19 subdivisions (1) and (2) may petition the board for an
20 exemption from the requirements of this section for working at
21 a particular entity. The board shall have the sole discretion
22 in determining whether the requested exemption shall be
