The Credentials Committee recommended that limited license applicants one through five be approved. The motion was adopted without objection.

PHYSICIAN ASSISTANTS / ADVANCE PRACTICE NURSES

P.A. License

	<u>Name</u>	<u>School</u>	<u>NCCPA</u>
1	Cami Ann Neal	Bethel College	1072412

The Credentials Committee recommended that the P.A. license applicant be approved. The motion was adopted without objection.

P.A. Registration

Jeffrey Clarence Davis, PA / Russell Ronson, M.D. The Credentials Committee recommended that the P.A. registration application be approved. The motion was adopted without objection.

Allyson Anne Hill, PA / David Michael Cherry, M.D. The Credentials Committee recommended that the P.A. registration application be approved. The motion was adopted without objection.

Brianne Kestler, PA / Dimitris Kyriazis, M.D. The Credentials Committee recommended

that the P.A. registration application be approved. The motion was adopted without objection.

Christopher Key, PA / John L. Todd, M.D. The Credentials Committee recommended that the P.A. registration application be approved. The motion was adopted without objection.

Gregory A. Sharp, PA / Mark Shafer Siegel, M.D. The Credentials Committee recommended that the P.A. registration application be approved. The motion was adopted without objection.

Mildred Spearing, PA / Morris B. Seymour, Jr., M.D. The Credentials Committee recommended that the P.A. registration application be approved. The motion was adopted without objection.

Steven Patrick Thompson, PA / Frankie W. Erdman, Jr., M.D. The Credentials Committee recommended that the P.A. registration application be approved including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Benjamin Aaron McKenzie, PA / Christopher Dwain Hargett, D.O. The Credentials Committee recommended that the P.A. registration application be approved. The motion was adopted without objection.

Delsey Elaine Austin, PA / Victor M. Vargas, M.D. The Credentials Committee recommended that the P.A. registration application be approved with remote site privileges. The motion was adopted without objection.

Teresa Browne-Carter, PA / Victor M. Vargas, M.D. The Credentials Committee recommended that the P.A. registration application be approved with remote site privileges. The motion was adopted without objection.

James C. Higginbotham, PA / Walter J. Doty, III, M.D. The Credentials Committee recommended that the P.A. registration application be approved with remote site privileges. The motion was adopted without objection.

James C. Kisner, Jr., PA / Mamoun I. Najjar, M.D. The Credentials Committee recommended that the P.A. registration application, including number twenty-three on the P.A. formulary, birth control drugs and devices, be approved with remote site privileges. The motion was adopted without objection.

Reiga Luedemann, PA / Mamoun I. Najjar, M.D. The Credentials Committee recommended that the P.A. registration application, including number twenty-three on the P.A. formulary, birth control drugs and devices, be approved with remote site privileges. The motion was adopted without objection.

Jennifer Warren Hewitt, PA / Christopher B. Harmon, M.D. The Credentials Committee recommended that the P.A. registration application be approved including, with standard language previously approved the Board, the following duties: biopsies; cryosurgery / cryotherapy; treatment of lesions with curettage and phototherapy; and light chemical peels. The Committee recommended that, with standard language previously approved by the Board, number two and number twenty-three on the P.A. formulary, antineoplastic agents, and birth control drugs and devices, be approved. The motion was adopted without objection.

PA QACSC Registration

- 1 Reiga Luedemann, PA / Mamoun I. Najjar, M.D.
- 2 Stephanie Murphy, PA / Robert Cerfolio, M.D.

The Credentials Committee recommended approval of PA QACSC registration applications one and two. The motion was adopted without objection.

PA QACSC Protocol The Credentials Committee recommended that the PA QACSC Protocol be amended to include the provision that the supervising physician should audit the P.A.'s prescribing via the PDMP at least once per quarter. The motion was adopted without objection.

P.A. Miscellaneous Requests / Reports

Lacey Bowen, PA / Donald Reiff, M.D. - Request for consideration of documentation of training to perform arterial line insertion The Credentials Committee recommended that the documentation that the P.A. has been trained to perform arterial line insertion be approved. The motion was adopted without objection.

Christopher T. Boyce, PA / Bradford A. Woodworth, M.D. - Request to train to perform additional duties The Credentials Committee recommended that, with standard language previously approved by the Board, the request to train the P.A. to perform incision and drainage of superficial abscess be approved. The Committee recommended that the P.A. and physician be notified of the Board's previously approved standard language regarding the performance of laryngoscopy. The motion was adopted without objection.

Celeste P. Fleming, PA / J. Steven Hankins, M.D. - Request for consideration of documentation of training to perform joint injections The Credentials Committee

recommended that the documentation that the P.A. has been trained to perform joint injections be approved. The motion was adopted without objection.

Fluoroscopy use by mid-level practitioners The Credentials Committee recommended that the item be received as information. The motion was adopted without objection.

Ramona Hagmaier, PA / Christi Cazalas, M.D. - Request for reconsideration of treating head and neck with 30% TCA The Credentials Committee recommended that this request be tabled. The motion was adopted without objection.

Debbie W. Riemer, PA / C. Duane Randleman, Jr., M.D. - Request for consideration to train to perform sclerotherapy The Credentials Committee recommended that the request to train the P.A. to perform sclerotherapy be approved. The motion was adopted without objection.

Benjamin Wirt, PA / C. Duane Randleman, Jr., M.D. - Request for consideration to train to perform sclerotherapy The Credentials Committee recommended that the request to train the P.A. to perform sclerotherapy be approved. The motion was adopted without objection.

Peter Yen, PA / Steven Thomas, M.D. - Request to train to perform additional duties
The Credentials Committee recommended that, with standard language previously approved by the Board, the request to train the P.A. to perform the following duties be approved: central line placement; arterial line placement; and central venous line over wire. The Committee recommended that the request for the P.A. to perform escharotomies be approved. The motion was adopted without objection.

Talc Pleurodesis A motion was made to approve talc pleurodesis as an additional skill for mid-level practitioners for the treatment of malignant and non-malignant pleural effusions only. Mid-level practitioners are not approved to perform talc pleurodesis for the treatment of pneumothorax. The motion was adopted without objection.

APN Miscellaneous Requests/Reports

Sherri S. Arledge, M.D. / Susannah M. Smith, CRNP - Request for CRNP to perform bone marrow biopsy / aspiration and antineoplastic chemotherapy administration The Credentials Committee recommended that the request to train the CRNP to perform bone marrow biopsy / aspiration, and antineoplastic chemotherapy administration be approved. The motion was adopted without objection.

Yocunda D. Clayton, M.D. / Aimee C. Holland, CRNP - Request to train CRNP to perform colposcopy, colposcopically directed biopsy and treatment, and endocervical curettage The Credentials Committee recommended approval of the request to train the CRNP to perform colposcopy; colposcopically directed biopsy and treatment; and endocervical curettage. The motion was adopted without objection.

Gregory K. Friedman, M.D. / Richard D. Brown, CRNP - Request for CRNP to perform bone marrow biopsy / aspiration, lumbar puncture, intrathecal administration of chemotherapy, partial RBC exchange transfusion, and administration of antineoplastics and heavy metals The Credentials Committee recommended that, with standard language previously approved by the Board, the request to train the CRNP to perform bone marrow biopsy / aspiration; lumbar puncture; intrathecal administration of chemotherapy; and

administration of antineoplastics and heavy metals be approved. The Committee recommended that the request to train the CRNP to perform partial RBC exchange transfusion be deferred pending receipt a training plan and protocol. The motion was adopted without objection.

Wahib Mena, M.D. / Stephanie Woods, CRNP - Request for approval of Standard Neonatal Skills The Credentials Committee recommended approval of the request for Standard Neonatal Skills. The motion was adopted without objection.

Lisle Nabell, M.D. / Heather Barry, CRNP - Request for approval for CRNP to perform bone marrow biopsy and lumbar puncture, and to prescribe antineoplastics The Credentials Committee recommended that, with standard language previously approved by the Board, the request to train the CRNP to perform bone marrow biopsy; lumbar puncture; and administration of antineoplastics be approved. The motion was adopted without objection.

Tonia Ruddock, M.D. / Norma McKnight, CRNP - Request for approval of additional skills The Credentials Committee recommended that, with standard language previously approved by the Board, the request to train the CRNP to perform phototherapy; photodynamic therapy; cryotherapy; and the administration of antineoplastic agents be approved. The Committee recommended approval of the request to train the CRNP to perform electrodesiccation and curettage with standard language that the procedure is only to be performed pursuant the protocol that the lesions are to be evaluated by the physician prior to the procedure. The motion was adopted without objection.

Charles T. Sirna, M.D. / Kasey D. Gross, CRNP - Request for CRNP to perform graded exercise testing treadmill / thallium scans The Credentials Committee recommended approval of the request to train the CRNP to perform graded exercise testing treadmill / thallium scans. The motion was adopted without objection.

John M. Vermillion, M.D. / Amy E. Martin, CRNP - Documentation of training for chest tube removal and femoral arterial / venous line insertion The Credentials Committee recommended approval of the documentation of having trained the CRNP to perform chest tube removal and femoral arterial / venous line insertion. The motion was adopted without objection.

Consent Forms The Credentials Committee recommended that research be conducted concerning the possible promulgation of a rule which would require that an informed consent document contain the disclosure that personnel other than the physician may be performing or participating in the procedure to which the patient is consenting. The motion was adopted without objection.

44	Gilbert Zoghbi, M.D.	Taneaka Rowe-Houser

The Credentials Committee recommended that collaborative practice registration applicants one through forty-four be approved. The motion was adopted without objection.

Collaborative Practice Covering Physician Applicants

Collaborative Practice Covering Physician Applicants The Credentials Committee recommended that collaborative practice covering physician applicants one through fifty-six be approved. The motion was adopted without objection. The list of collaborative practice covering physician applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit 'A.'"

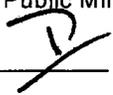

Joint Committee on Advanced Practice Nursing

Joint Committee on Advanced Practice Nursing The Joint Committee on Advanced Practice Nursing did not meet.

CURRENT BUSINESS

Board Compensation The Credentials Committee recommended that, pursuant to Ala. Code § 34-24-313, a compensation policy be adopted setting a consultant fee of \$300.00 per hour to reimburse any Board member who renders professional services to the Board as a consultant. James G. Davis, M.D.; Howard J. Falgout, M.D.; Richard M. Freeman, M.D.; Steven P. Furr, M.D.; J. Daniel Gifford, M.D.; William E. Goetter, M.D.; T. Michael Harrington, M.D.; Boyde J. Harrison, M.D.; David P. Herrick, M.D.; Juan Johnson, M.D.; Paul M. Nagrodzki, M.D.; Timothy A. Stewart, M.D.; and William J. Terry, M.D., voted in favor of the motion. The motion was adopted without objection.

Consultant Group for the Study of Bariatric Medicine The Credentials Committee recommended that the Ad Hoc Committee for Use of Controlled Substances for Weight Loss be dissolved, that the Consultant Group for the Study of Bariatric Medicine be

established, and the following members be appointed: Steven P. Furr., M.D.; Boyde J. Harrison, M.D.; Robert F. Allen, M.D.; Jamy D. Ard, M.D.; Maria L. Bernardo, M.D.; Gregory M. Flippo, M.D.; Mark S. Lindsey, D.O.; John M. Morgan, M.D.; Marc H. Routman, M.D.; Sage B. Smith, M.D.; and William J. Urquart, M.D. The motion was adopted without objection.

Consultant Group for the Study Telemedicine The Credentials Committee recommended that the Ad Hoc Committee for the Regulation of Telemedicine be dissolved, that the Consultant Group for the Study of Telemedicine be established, and the following members be appointed: William E. Goetter, M.D.; Paul M. Nagrodzki, M.D.; Timothy A. Stewart, M.D.; and Jorge A. Alsip, M.D. The motion was adopted without objection.

Ozone Therapy The Credentials Committee recommended that the physician be notified that the Board does not regulate specific practice procedures; therefore, the Board chooses not to make a recommendation regarding the use of ozone therapy in the physician's private practice. However, the Committee recommended that the physician be cautioned that the non-FDA approved procedure is experimental and investigational, and that the Board would be concerned should any patient complaints be received related to the use of ozone therapy. The motion was adopted without objection.

Telemedicine The Credentials Committee recommended that a letter be requested to clarify the specific questions regarding the practice of telemedicine, and that the issue be referred to the Consultant Group for the Study of Telemedicine. The motion was adopted without objection.

Alabama Fertility Update The Credentials Committee recommended that the item be received as information and that a newsletter article be published regarding the clinical use of testosterone from the perspective of a fertility specialist, a urologist, and an endocrinologist. The motion was adopted without objection.

HEARINGS

ABME Hearing Schedule The Credentials Committee recommended that the ABME Hearing Schedule be received as information. The motion was adopted without objection.

Adolfo Robledo, M.D., Troy After consideration of testimony and exhibits presented before a hearing panel of the Board, a motion was made to enter an Order terminating Dr. Robledo's Voluntary Restriction on Certificate of Qualification to Practice Medicine. The motion was adopted without objection. The Order shall be made a part of these Minutes and shall be attached hereto as Exhibit "B."

Kenneth Eugene Roberts, M.D., Dothan The hearing panel of the Board who previously heard testimony at Dr. Roberts' July 20, 2011, Show Cause Hearing was reconvened. After discussion of the evidence presented at the Show Cause Hearing, a motion was made to defer consideration of the matter pending receipt of additional information. The motion was adopted without objection.

Meeting Adjourned: 11:05 a.m.

The Alabama Board of Medical Examiners will convene its next public meeting September 21, 2011, 848 Washington Avenue, Montgomery, Alabama.
