The Credentials Committee recommended approval of temporary P.A. license applicants one through four. The motion was adopted without objection.

P.A. Registration

Edith Agee, PA / Oluyinka Adediji, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Timothy A. Barnes, PA / Terry M. Phillis, Jr., M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Cami Bertus, PA / Shannon Morgan, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Marlee Bruno, PA / Nyla Sherrie Squyres, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Paula Sue Giamo, PA / Frederick McArthur Jones, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Tamekia Yolanda Hayes, PA / Vishal Mandge, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Jeannie E. Jacobs, PA / Robert Lee Gilliam, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Kristi M. Lewis, PA / Bruce Eric Burns, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Rachel O'Neal, PA / Daniel Spangler, Jr., M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Rebekah S. Posey, PA / Diamond Vrocher, III, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Jarrod Roussel, PA / Robert L. Hash, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Gregory Alan Sharp, PA / Jonathan Clay Rainer, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Laura H. Thompson, PA / James R. Mracek, II, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Anthony Paul Tkac, PA / Debra A. Hebert, D.O. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Cheri Livingston, PA / Bobby A. Wrights, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

April Michelle Beckham, PA / Jeffrey Jones, M.D. The Credentials Committee recommended approval of the P.A. registration application excluding number nine on the P.A. formulary, heavy metal antagonist, which the Credentials Committee recommended be denied. The motion was adopted without objection.

Nicholas Scott Howell, PA / Kevin Leonard Sublett, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number eleven on the P.A. formulary, radioactive agents. The motion was adopted without objection.

Mary Jayne Rasbury, PA / James Edward Bryant, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number two on the P.A. formulary, antineoplastic agents. The motion was adopted without objection.

Joy Suzanne Catania, PA / James Daniel Snipes, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, the request for the P.A. to perform reduction of simple fractures. The motion was adopted without objection.

Anna Evans Clark, PA / Harry E. Studdard, II, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, the request for the P.A. to administer and monitor hyperbaric therapy. The motion was adopted without objection.

Jennifer Warren Hewitt, PA / Julie Claire Harper, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number two on the P.A. formulary, antineoplastic agents. The Committee recommended, with standard language previously approved by the Board, approval of the request to allow the P.A. to perform the following duties: light chemical peels; treatment of lesions with curettage and photo-therapy; biopsies; and cryosurgery / cryotherapy. The motion was adopted without objection.

Troy Earl Higdon, PA / Robert James Cerfolio, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices, and the request to allow the P.A. to perform chest tube removal. The motion was adopted without objection.

Reiga Merve Luedemann, PA / Charles Patterson, M.D. The Credentials Committee recommended approval of the P.A. registration application including the request to allow the P.A. to perform hormone pellet placement. The motion was adopted without objection.

Michelle Desiré Nicholas, PA / Roger T. Boyington, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, numbers two and twenty-three on the P.A. formulary, antineoplastic agents, and birth control drugs and devices. The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to allow the P.A. to perform the following duties: biopsies, joint injections and aspirations, and arthrocentesis. Pursuant to the request that the P.A. be approved to prescribe pain medication for acute and chronic pain, the Committee recommended that Ms. Nicholas be informed of the appropriate procedure to apply for and obtain a QACSC. The motion was adopted without objection.

Kimberly Reeves Pickett, PA / Frank Jefferson Tombrello, D.O. The Credentials Committee recommended approval of the P.A. registration application including the request to allow the P.A. to perform hormone pellet placement. The motion was adopted without objection.

Rebekah Ann Pierce, PA / Anthony Martino, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The Committee recommended, with standard language previously approved by the Board, approval of the request to allow the P.A. to perform

ventriculo peritoneal shunt tap; ventriculoatrial shunt tap; and lumbo peritoneal shunt tap. The Committee recommended approval of the request to allow the P.A. to perform ventriculostomy removal, ICP bolt removal, and halopin removal. The Committee recommended that the request to allow the P.A. to perform application and removal of Gardner Wells Tongs be denied. The motion was adopted without objection.

Brian Sarapin, PA / Daniel Spangler, Jr., M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, the request to allow the P.A. to perform reduction of simple fractures. The motion was adopted without objection.

Mindy Smith Wilson, PA / Charles Patrick Wilson, M.D. The Credentials Committee recommended approval of the P.A. registration application including the request to allow the P.A. to provide liposonix treatment. The motion was adopted without objection.

Casandra Stipati Bush, PA / Joyce Goetsch, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, numbers two and twenty-three on the P.A. formulary, antineoplastic agents, and birth control drugs and devices. The Committee recommended that the request to allow the P.A. to prescribe endocrinology drugs be denied and that the P.A. and physician be asked to provide a letter of clarification regarding the request. The Committee recommended approval of the P.A. job description. The motion was adopted without objection.

Derrick Michael Johnson, PA / Bruce Taylor, M.D. The Credentials Committee recommended approval of the P.A. registration application with remote site privileges

including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The Committee recommended, with standard language previously approved by the Board, approval of the request to allow the P.A. to perform joint injections and aspirations, and arthrocentesis. The motion was adopted without objection.

Chad Gilliam, PA / Rodney D. Soto, M.D. See confidential Minutes

M. Michelle Knepper, PA / Kenneth L. Todd, III, M.D. The Credentials Committee recommended approval of the P.A. registration application with remote site privileges including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

LoToya Lyles, PA / Corazon Mulles, M.D. The Credentials Committee recommended approval of the P.A. registration application with remote site privileges including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

PA QACSC Registration

1. Kendi Pelot, PA / Jonah McIntyre, M.D.
2. Jarrod Roussel, PA / Michael Cosgrove, M.D.

The Credentials Committee recommended approval of QACSC applicants one and two. The motion was adopted without objection.

P.A. Miscellaneous Requests / Reports

Carrie L. Cole, PA / William N. Haller, III, M.D. - Request consideration of documentation of training to perform joint injections and aspirations The Credentials Committee recommended approval of the documentation that the P.A. has been trained to perform joint injections and aspirations. The motion was adopted without objection.

Matthew Kahanic, PA / Cheng W. Tao, M.D. - Request consideration of addition of femoral vein catheter line placement to PA job description The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to allow the P.A. to perform femoral vein catheter line placement. The motion was adopted without objection.

Amalee Smith, PA / Paul F. Castellanos, M.D. - Request to meet with the Board to discuss additional PA privileges, specifically, trans-stomal bronchoscopy The Credentials Committee recommended that Dr. Castellanos be invited to meet with the Credentials Committee to discuss trans-stomal bronchoscopy. The motion was adopted without objection.

Trauma Department, UAB Hospital - Request consideration of adding placement of the ImaCor device to the job description of their PAs The Credentials Committee recommended that placement of the ImaCor device be added to the P.A. job description. The motion was adopted without objection.

Kendall Roper, PA / Ajay Patel, M.D. - Request to add additional practice site The Credentials Committee recommended approval of the additional practice site. The motion was adopted without objection.

APN Miscellaneous Requests/Reports

Harry McGwinn Barnes, III, M.D. / Kristi Springer, CRNP - Request to add restricted drugs The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer chemotherapy drugs and biologicals. The motion was adopted without objection.

Johnny E. Bates, M.D. / Rebekah R. Harris, CRNP - Request for additional practice sites The Credentials Committee recommended that Dr. Bates be notified that a covering physician must be available and that the request for a variance from the physician being readily available be denied. The motion was adopted without objection.

Michael J. Belmont, M.D. / Hallie B. Hill, CRNP - Request approval for placement and removal of Nexplanon The Credentials Committee recommended approval of the request to train the CRNP to perform insertion and removal of Nexplanon. The motion was adopted without objection.

Michael Davidson Brown, M.D. / Whitney Bailey, CRNP - Request for additional skills The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform insertion of central venous line, internal jugular; insertion of central venous line, femoral; lumbar puncture; and radial arterial catheterization.

Michael Davidson Brown, M.D. / Douglas Stephens, CRNP - Request for additional skills The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform insertion of central venous

line, internal jugular; insertion of central venous line, femoral; lumbar puncture; and radial arterial catheterization. The motion was adopted without objection.

Robert C. Brown, M.D. / Diantha D. Miller, CRNP - Request approval for CRNP to administer antineoplastic agents The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer the antineoplastic agents as specified on the application for collaborative practice only after the patient has been examined, and a protocol has been established, by the physician. The Committee recommended that the request to train the CRNP to perform non-ablative laser hair removal be approved. The motion was adopted without objection.

Sunil Chandra, M.D. / Joanna Bundrum, CRNP - Request approval for CRNP to administer antineoplastic agents The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer the antineoplastic agents as specified on the application for collaborative practice. The motion was adopted without objection.

Stephen Lee Davidson, M.D. / Melanie Boles, CRNP - Request to add restricted drugs The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer chemotherapy drugs and biologicals. The motion was adopted without objection.

Leon S. Dure, IV, M.D. / Sarah S. Keil, CRNP - Request to perform adjustment of vagus nerve stimulators The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform adjustment of vagus nerve stimulators. The motion was adopted without objection.

David Albert Gremse, M.D. / Betty Madison, CRNP - Request to add restricted drugs

The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer the antineoplastic agents as specified on the application for collaborative practice. The motion was adopted without objection.

Clifton English Kew, II, M.D. / Andrea Zarichnak, CRNP - Request to add restricted drugs The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer the antineoplastic agents as specified on the application for collaborative practice. The motion was adopted without objection.

Narayan Krishnamurthy, M.D. / Joanna Bundrum, CRNP - Request to administer antineoplastic agents The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer the antineoplastic agents as specified on the application for collaborative practice. The motion was adopted without objection.

Vineeta Kumar, M.D. / Jessica Whitaker Waine, CRNP - Request to add restricted drugs The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer the antineoplastic agents as specified on the application for collaborative practice. The motion was adopted without objection.

Cecil A. Long, M.D. / Courtney M. Gregory, CRNP - Request to perform transvaginal ultrasound and sonar insufflation studies The Credentials Committee recommended

approval of the request to train the CRNP to perform limited transvaginal ultrasound and sonar insufflation studies. The motion was adopted without objection.

Bruce Gerald Lowman, M.D. / Cora L. Passman, CRNP - Request to perform sclerotherapy and veinwave The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform sclerotherapy and veinwave therapy. The motion was adopted without objection.

Paul M. Muratta, D.O. / Shannon Doyal, CRNP - FTE concerns The Credentials Committee recommended that no action be taken on this matter as the Board has no regulatory authority regarding CRNAs. The motion was adopted without objection.

Lisle Nabell, M.D. / Lori B. Sims, CRNP - Request to perform bone marrow aspiration and biopsy, and lumbar puncture The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform bone marrow biopsy and aspiration, and lumbar puncture, and to administer the antineoplastic agents as specified on the application for collaborative practice. The motion was adopted without objection.

James R. Phillips, M.D. / Carole W. Campbell, CNM - Request to perform additional skills and administer restricted drugs The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform subdermal implants, cervical biopsy with or without colposcopy, endocervical curettage, and cryosurgery / cryotherapy, and to administer oxytocics and tocolytics. The motion was adopted without objection.

John E. Reardon, Jr., M.D. / Brenda Whigham, CRNP - Request to administer antineoplastic agents and heavy metals The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer iron intravenously, and to administer the antineoplastic agents as specified on the application for collaborative practice. The motion was adopted without objection.

William R. Stagers, M.D. / Diantha D. Miller, CRNP - Request to administer antineoplastic agents The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer the antineoplastic agents as specified on the application for collaborative practice only after the patient has been examined, and a protocol has been established, by the physician. The motion was adopted without objection.

William R. Stagers, M.D. / Diantha D. Miller, CRNP - Request to administer medical botox to the axilla for hyperhidrosis The Credentials Committee recommended that the request to train the CRNP to administer medical botox for hyperhidrosis be denied. The motion was adopted without objection.

Keith Alexander Thompson, M.D. / Karlene Boozer, CRNP - Request to add restricted drugs The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer chemotherapy drugs and biologicals. The motion was adopted without objection.

William Perry Vaughan, M.D. / Christine C. Chilomo, CRNP - Request for additional duties The Credentials Committee recommended, with standard language previously

approved by the Board, approval of the request to train the CRNP to perform bone marrow biopsy and aspiration, and punch biopsies. The motion was adopted without objection.

William Perry Vaughan, M.D. / Binita P. Parekh, CRNP - Request for additional duties

The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform central venous line removal, percutaneous and tunneled. The motion was adopted without objection.

Antineoplastics Collaborative Practice Formulary Listing

The Credentials Committee recommended that this item, as amended by the Committee, be brought back to the August agenda. The motion was adopted without objection.

Collaborative Practice Registration

Collaborative Practice Registration Applicants

The Credentials Committee recommended approval of collaborative practice applications one through one hundred fifty-six with the exception of any requests for additional skills or restricted drugs, excluding number seventy-six in its entirety. The motion was adopted without objection. A list of the collaborative practice registration applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit "A."

Collaborative Practice Covering Physician Applicants

Collaborative Practice Covering Physician Applicants

The Credentials Committee recommended approval of collaborative practice covering physician applicants one through ninety-three. The motion was adopted without objection. A list of the collaborative practice

covering physician applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit "B."

Physician Assistant Advisory Committee Meeting

PA Advisory Committee Meeting, July 17, 2012 The Credentials Committee recommended deferring to the full Board for the Minutes of the Physician Assistants' Advisory Meeting to be presented by Dr. Gifford. A motion was made that the Board approve the P.A. Advisory Committee's Minutes. The motion was adopted, and a copy of the P.A. Advisory Committee's Minutes shall be made a part of these Minutes and shall be attached hereto as Exhibit "C."

Joint Committee on Advanced Practice Nursing

Joint Committee on Advanced Practice Nursing, July 17, 2012 Due to not having a quorum of members, the Joint Committee did not convene.

CURRENT BUSINESS

Alabama Physician Health Program A motion was made to receive as information the oral presentation by Eric Hedberg, M.D., Medical Director, Alabama Physician Health Program. The motion was adopted without objection.

Alabama Dept. of Corrections Telepsychiatry Program / MHM Correctional Services The Credentials Committee recommended that this item be referred to the Consultant Group for the Study of Telemedicine. The motion was adopted without objection.

Alabama Dept. of Public Health - Administrative Rule 420-5-7-.18(2)(d) and (f), Anesthesia Services The Credentials Committee recommended that this item be received as information. The motion was adopted without objection.

FSMB Liaison Program The Credentials Committee recommended that this item be received as information. The motion was adopted without objection.

Alabama Dept. of Public Health - Request to Enhance Medical License Renewal Application After consideration of correspondence from Donald E. Williamson, M.D., Director, Alabama Department of Public Health, the Credentials Committee recommended that discussions be held with the Department of Public Health to develop an alternative online questionnaire that would allow the Department of Public Health to collect and analyze its own data through means other than the medical license renewal application. A motion was made to recommend that the Medical Licensure Commission amend the current medical practice statistical questions on the license renewal application for renewal year 2013 as requested by Dr. Williamson. The motion was adopted without objection.

HEARINGS

ABME Hearing Schedule The Credentials Committee recommended that the ABME Hearing Schedule be received as information. The motion was adopted without objection.

Shawn Barry Harmon, M.D., Birmingham After consideration of testimony and exhibits presented before a hearing panel of the Alabama Board of Medical Examiners, a motion was made to enter an Order terminating the Voluntary Restriction on Certificate of Qualification to Practice Medicine. The motion was adopted without objection. A copy of the

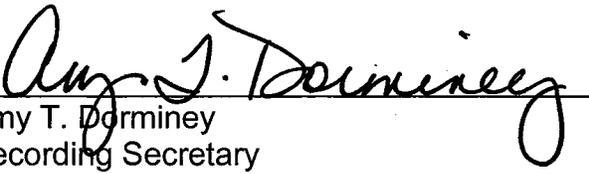

Order terminating the restrictions on Dr. Harmon's certificate of qualification shall be made a part of these Minutes and shall be attached hereto as Exhibit "D."

Timothy Marshall Iliff, M.D., Mobile A hearing panel of the Board reconvened to consider additional information regarding the Show Cause Hearing that was held June 13, 2012, on the reinstatement of Dr. Iliff's certificate of qualification. After consideration of the additional information, a motion was made to withdraw the Board's previous Order dated June 18, 2012, and to enter a Substituted Order reinstating Dr. Iliff's certificate of qualification pursuant to certain terms and conditions. The motion was adopted without objection. A copy of the Substituted Order shall be made a part of these Minutes and shall be attached hereto as Exhibit "E."

Meeting Adjourned: 11:11 a.m.

The Alabama Board of Medical Examiners will convene its next public meeting August 15, 2012, 848 Washington Avenue, Montgomery, Alabama.
