7	Jaime Nicole Tarbox	Mercer University	1111247

The Credentials Committee recommended approval of P.A. licensure applicants one through seven. The motion was adopted without objection.

P.A. Registration

Helen Alexander, PA / Charles E. Shipman, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Bradley William Cantley, PA / Tom Ashar, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Phillip A. Jernigan, PA / Charles E. Shipman, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Mary Elizabeth Johnsten, PA / Steven Michael Sharp, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard

language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Mark Daniel Minton, PA / Jere Michael Disney, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Rebekah Ann Pierce, PA / Genevieve Ivy McLeod, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Iris Stuart, PA / Jorge de la Torre, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Stacey Maye Thiot, PA / Mark Anthony Murphy, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted without objection.

Latrina Franklin, PA / Kristie Blanchard-Burch, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number two and number twenty-three on the P.A. formulary, antineoplastic agents and birth control drugs and devices. The motion was adopted without objection.

Megan Bagby Mathews, PA / Michael Keith Wilensky, M.D. The Credentials Committee recommended approval of the P.A. registration application. The motion was adopted

without objection.

Jaime Nicole Tarbox, PA / Corey L. Hartman, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The motion was adopted without objection.

Valentina R. Anselmo, PA / John C. Foster, M.D. The Credentials Committee recommended approval of the P.A. registration application with remote site privileges, including, with standard language previously approved by the Board, number two and number twenty-one on the P.A. formulary, antineoplastic agents and oxytocics. The Committee recommended, with, where applicable, standard language previously approved by the Board, approval to train the P.A. to perform shave punch biopsies; incision and drainage of bartholin cysts, vulvar abscesses, and breast abscesses; and colposcopy. The motion was adopted without objection.

Karen Calcano, PA / John B. Richardson, Jr., M.D. The Credentials Committee recommended approval of the P.A. registration application including the request to allow the P.A. to assist with robot mitral valves. The motion was adopted without objection.

Oliver Lawrence Ezell, PA / George Frank Wilson, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, numbers two, twenty-one, and twenty-three on the P.A. formulary, antineoplastic agents, oxytocics, and birth control drugs and devices. The motion was adopted without objection.

Darron Forrest, PA / Gregory Allen Thomas, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-three on the P.A. formulary, birth control drugs and devices. The Committee recommended, with standard language previously approved by the Board, approval of the request to train the P.A. to perform endoscopic vein harvesting. The motion was adopted without objection.

Ramona Hagmaier, PA / Thomas J. Leytham, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, the following drugs on the P.A. formulary: number two, antineoplastic agents; number twenty-three, birth control drugs and devices; and number twenty-eight, topical and oral acne medications, excluding acutane, topical antifungal medications and topical steroids. The Committee recommended, with standard language previously approved by the Board, approval of the request to train the P.A. to perform the destruction and / or biopsy of hypertrophic or inflammatory conditions of the epidermis. The motion was adopted without objection.

Phillip Alan Hake, PA / David Powell Denney, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard language previously approved by the Board, number twenty-one on the P.A. formulary, oxytocics. The motion was adopted without objection.

Jui Chuan Tseng, PA / L. Shefton Riggons, M.D. The Credentials Committee recommended approval of the P.A. registration application including, with standard

language previously approved by the Board, the request to train the P.A. to perform endoscopic vein harvesting. The motion was adopted without objection.

P.A. QACSC Registration

- 1 Meaghan Birch, PA / Devin Eckhoff, M.D.
- 2 Oliver Lawrence Ezell, PA / George Frank Wilson, M.D.
- 3 John V. Manning, Jr., PA / Steve Johnston, M.D.
- 4 Miranda Nolen, PA / David Brennen, M.D.

The Credentials Committee recommended approval of PA QACSC applicants one through four. The motion was adopted without objection.

P.A. Miscellaneous Requests / Reports

Adam Bevis, PA / Ahmed Abdel Aal, M.D. / Edgar Underwood, M.D. - Request for permission to meet with the Board to discuss fluoroscopic practice The Credentials Committee recommended that Dr. Aal, Dr. Underwood and Mr. Bevis be invited to meet with the Credentials Committee to discuss fluoroscopic practice. The motion was adopted without objection.

Adam Bevis, PA / Souheil Sadekkni, M.D. - Request to allow PA to use fluoroscopy for guidance in Board approved IR procedures The Credentials Committee recommended that the request be deferred pending the Committee's meeting with Mr. Bevis to discuss fluoroscopic practice. The motion was adopted without objection.

Gwendolyn Day, PA / Bernard H. Eichold, M.D. - Request to train the P.A. to perform insertion and removal of intrauterine devices The Credentials Committee recommended approval of the request to train the P.A. to perform insertion and removal of intrauterine

devices. The motion was adopted without objection.

Elizabeth Eisenbeis, PA / Bernard H. Eichold, M.D. - Request to train the P.A. to perform insertion and removal of intrauterine devices The Credentials Committee recommended approval of the request to train the P.A. to perform insertion and removal of intrauterine devices. The motion was adopted without objection.

John L. Harlan, M.D. / Mitchell Willcutt, PA / Kimberlee, Johnson, PA - Request to add additional practice sites to registration The Credentials Committee recommended approval of the request to add additional practice sites to the registration. The motion was adopted without objection.

Janet Hurley, PA / Gregory Evans, M.D. - Request to train the P.A. to perform insertion and removal of intrauterine devices The Credentials Committee recommended approval of the request to train the P.A. to perform insertion and removal of intrauterine devices. The motion was adopted without objection.

Stanley K. Lochridge, M.D. / Wendy Cornelius, PA / Charles Noyes, PA - Request to add additional practice sites to registration The Credentials Committee recommended approval of the request to add additional practice sites to the registration. The motion was adopted without objection.

Laura Nugent, PA / Carter S. Harsh, M.D. - Request to add additional practice sites to registration The Credentials Committee recommended approval of the request to add additional practice sites to the registration. The motion was adopted without objection.

John B. Richardson, M.D. / Stephen Sentenn, PA - Request to add additional practice

sites to registration The Credentials Committee recommended approval of the request to add additional practice sites to the registration. The motion was adopted without objection.

Kellie Riddle, PA / Jeffery Lawrence Welding, M.D. - Request for clarification regarding remote site practice The Credentials Committee recommended that Dr. Welding and Ms. Riddle be notified that the physician should visit the clinic every fifth day that the clinic is open. The motion was adopted without objection.

Kerry Whitaker, PA / Souheil Sadekkni, M.D. - Request to allow PA to use fluoroscopy for guidance in Board approved IR procedures The Credentials Committee recommended that this request be deferred pending the Committee's meeting with Adam Bevis, PA, Ahmed Abdel Aal, M.D., and Edgar Underwood, M.D., to discuss fluoroscopic practice. The motion was adopted without objection.

Richard A. Lauderdale, Jr., PA / Malcolm A. Patchel, PA / Allan Chandler Muller, II, M.D. - Request change of remote site address The Credentials Committee recommended approval of the remote site address change. The motion was adopted without objection.

APN Miscellaneous Requests / Reports

Patricia Mercado, M.D. / Brandi Duncan, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer antineoplastic agents. The motion was adopted without objection.

Carole W. Norden, M.D. / Linda Chavers, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the

request to train the CRNP to administer antineoplastic agents. The motion was adopted without objection.

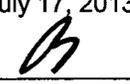

Harry M. Barnes, M.D. / Catherine Roberts, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer antineoplastic agents and intravenous iron. The motion was adopted without objection.

Scott Andrew McDaniel, M.D. / Kristen Osborne, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer antineoplastic agents and intravenous iron. The motion was adopted without objection.

Keith Thompson, M.D. / Kristi Springer, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to administer antineoplastic agents and intravenous iron. The motion was adopted without objection.

Bernard H. Eichold, II, M.D. / Leticia Harris, CRNP / Heather Harvey CRNP / Julie Hunt, CRNP / Japonica Owens, CRNP The Credentials Committee recommended approval of the request to train the CRNPs to perform insertion and removal of intrauterine devices. The motion was adopted without objection.

Bernard H. Eichold, II, M.D. / Laura Wolf, CRNP The Credentials Committee recommended that consideration of the request to train the CRNP to perform insertion and removal of intrauterine devices be deferred to request a letter of clarification. The motion

was adopted without objection.

Gregory Evans, M.D. / LaTanya Batain, CRNP / Ashley Flanagan, CRNP / Nakia Littlejohn, CRNP The Credentials Committee recommended approval of the request to train the CRNP to perform placement and removal of intrauterine devices. The motion was adopted without objection.

Elmo D. Ozment, Jr., M.D. / Charlotte Gamble, CRNP / Amy Britton, CRNP / Maria Beck, CRNP / Eric McCraney, CRNP The Credentials Committee recommended approval of the request to train the CRNP to perform placement and removal of intrauterine devices. The motion was adopted without objection.

Deepak Acharya, M.D. / Caroline Pierce, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform the following skills: epicardial pacing wire removal; chest tube removal; central venous line placement, internal jugular and femoral; and arterial line placement, radial and femoral. The motion was adopted without objection.

Renzo Loyago-Rendon, M.D. / Alexandra Temple, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform the following skills: epicardial pacing wire removal; chest tube removal; central venous line placement, internal jugular and femoral; and arterial line placement, radial and femoral. The motion was adopted without objection.

Salpy Pamboukian, M.D. / Julie Reavie, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the

request to train the CRNP to perform the following skills: epicardial pacing wire removal; chest tube removal; central venous line placement, internal jugular and femoral; and arterial line placement, radial and femoral. The motion was adopted without objection.

Jose Tallaj, M.D. / Sabrina Kopf, CRNP / Jennifer Sasser, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform the following skills: epicardial pacing wire removal; chest tube removal; central venous line placement, internal jugular and femoral; arterial line placement, radial and femoral; and administration of antineoplastic agents. The motion was adopted without objection.

Scott Bellot, M.D. / Laura Brynestad, CRNP / Andrea Pitts, CRNP / Amy Johnson, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform central venous line placement, internal jugular and femoral; arterial line placement, radial and femoral; mediastinal chest tube removal; chest tube and pleural catheter removal; intra-aortic balloon pump catheter removal; left atrial catheter removal; epicardial pacing wire removal; pulmonary artery catheter removal; and needle decompression of tension pneumothorax. The motion was adopted without objection.

William L. Holman, M.D. / Keri Martin, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform central venous line placement, internal jugular and femoral; arterial line placement, radial and femoral; mediastinal chest tube removal; chest

tube and pleural catheter removal; intra-aortic balloon pump catheter removal; left atrial catheter removal; epicardial pacing wire removal; pulmonary artery catheter removal; and needle decompression of tension pneumothorax. The motion was adopted without objection.

Bart R. Combs, M.D. / Cora Passman, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform sclerotherapy and veinwave therapy. The motion was adopted without objection.

Benjamin J. Pearce, M.D. / Cora Passman, CRNP The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform sclerotherapy and veinwave therapy. The motion was adopted without objection.

Daniel A. Beals, M.D. / Kimberly Thompson, CRNP - Request approval for polydactyly
The Credentials Committee recommended approval of the request to train the CRNP to perform ligation of polydactyly. The motion was adopted without objection.

Mia T. Cowan, M.D. / Claudine Feig, CRNP - Request approval for colposcopy / cervical biopsy and endocervical curettage; oxytocics The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform colposcopy with cervical biopsy and endocervical curettage. The Committee recommended that the request add the administration of oxytocics to the collaborative agreement be deferred to request a letter of clarification. The motion was

adopted without objection.

Gregory Evans, M.D. / Angelia Lewis, CRNP - Request for insertion and removal intrauterine devices/systems; laser hair removal and laser skin tightening The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform placement and removal of intrauterine devices; laser hair removal; and laser skin tightening. The motion was adopted without objection.

Gregory Evans, M.D. / Cindy Norman, CRNP - Request for laser hair removal and laser skin tightening The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform laser hair removal and laser skin tightening. The motion was adopted without objection.

Gregory Evans, M.D. / Robin Normand, CRNP - Request approval for insertion and removal of intrauterine devices / systems; insertion and removal of Nexplanon; laser hair removal; laser skin tightening The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform placement and removal of intrauterine devices; placement and removal of Nexplanon; laser hair removal; and laser skin tightening. The motion was adopted without objection.

James E. Johnson, M.D. / Robert Kopf, CRNP - Request to approve documentation of training for central venous line, internal jugular and femoral and arterial lines, radial and femoral The Credentials Committee recommended approval of the documentation that the

CRNP has been trained to perform central venous line placement, internal jugular and femoral, and arterial line placement, radial and femoral. The motion was adopted without objection.

William D. Jordan, M.D. / David Costello, CRNP - Request initial interpretation of EKG

The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform initial interpretation of EKG. The motion was adopted without objection.

James A. Newton, M.D. / Debbie Driskill, CRNP - Request approval for insertion & removal of peripheral arterial lines; direct laryngoscopy The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform peripheral arterial line placement and removal, and direct laryngoscopy. The motion was adopted without objection.

James A. Newton, M.D. / Cynthia Palmer, CRNP / Janna Lowery, CRNP / Sherry Stough, CRNP / - Request approval for insertion & removal of peripheral arterial lines The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform peripheral arterial line placement and removal. The motion was adopted without objection.

Kirby R. Parker, M.D. / Lauren Barnes, CRNP - Request approval for joint injections & arthrocentesis of shoulder, elbow, knee & ankle and joint injection of greater trochanteric bursa The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform joint

injections and arthrocentesis of the shoulder, elbow, knee and ankle, and joint injection of the greater trochanteric bursa. The motion was adopted without objection.

Betty Ruth Spier, M.D. / Melanie Amberger, CRNP - Request approval for laser hair removal and laser skin tightening The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform laser hair removal and laser skin tightening. The motion was adopted without objection.

Jose Tallaj, M.D. / Kristine Bramlett, CRNP - Request approval to insert femoral arterial lines; administer antineoplastic agents The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform femoral arterial line placement and to administer antineoplastic agents. The motion was adopted without objection.

Melvin Thornbury, M.D. / Cynthia Evans, CRNP - Request approval for endometrial biopsy / pipelle technique The Credentials Committee recommended, with standard language previously approved by the Board, approval of the request to train the CRNP to perform endometrial biopsy. The motion was adopted without objection.

Luis N. Villaneuva, M.D. / Alexander Mikolaschek, CRNP - Request graded exercise testing with medications The Credentials Committee recommended approval of the request to train the CRNP to perform graded exercise testing with medications. The motion was adopted without objection.

Collaborative Practice Covering Physician Applicants

Collaborative Practice Covering Physician Applicants The Credentials Committee recommended approval of collaborative practice covering physician applicants one through seventy-seven. The motion was adopted without objection. The list of collaborative practice covering physician applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit "A."

Joint Committee on Advanced Practice Nursing

Joint Committee Meeting - July 16, 2013 The Credentials Committee recommended deferring to the full Board for a report to be presented by Dr. Harrison. The Board recommended that the report presented by Dr. Harrison be received as information. The motion was adopted without objection. A copy of the report shall be made a part of these Minutes and shall be attached hereto as Exhibit "B."

A motion was made that the recommendations of the Joint Committee, as stated in the Minutes of the Joint Committee, be approved. The motion was adopted without objection. A copy of the Minutes of the Joint Committee Meeting shall be made a part of these Minutes and shall be attached hereto as Exhibit "C."

A motion was made to provisionally approve, pending review by Board staff, the collaborative practice registration applications that were unable to be considered at the Joint Committee meeting. The motion was adopted without objection. The final list of approved collaborative practice registration applications shall be made a part of these Minutes and shall be attached hereto as Exhibit "D."
