

Jason Pauls - Request for clarification regarding tattoo removal The Credentials Committee recommended notifying Mr. Pauls that non-ablative lasers are approved for use under the supervision of a qualified physician, as specified in Administrative Rule 540-X-11 *Guidelines for the Use of Lasers and Other Modalities Affecting Living Tissue*, who is appropriately registered with the Board as a physician who uses or offers to use a laser/pulsed light device in any facility other than a hospital. The motion was adopted without objection.
