PA's/SA's Signing For Sample Drugs. After a report from Dr. Story concerning requests for a Board opinion concerning the issue of PA's/SA's signing for sample drugs, the Board voted to issue a letter (upon request) signed by the Chairman, stating that in the opinion of the Board, PA's and SA's may sign for sample medication which they are authorized to prescribe provided that all applicable State and federal laws are adhered to by the assistants who are signing.
